

Steps for applying for graduation

Senior students, expecting to graduate by the end of the last semester, must apply for graduation through our online TU registrar system at www.reg.tu.ac.th. Your request will be processed to ensure that you have met the university level requirements before the Office of Registrar can proceed and propose your request to Thammasat University council to confer your degree. This process takes some time; therefore, the request form must be submitted within the due date as shown in the academic calendar.

These are simple steps to apply for graduation.

Step 1: Log in to our online system using your student ID number and password (Figure 1).

Step 2: Go to the menu bar on your left, choose the button “**Graduation Request**” (Figure 2). This button will appear on your screen in due time. (If you wish to find information on the schedule of graduation application, you can do so by checking it from the academic calendar of events.) Click on this button to go to the next screen.

The screenshot shows the Registrar's Educational Service System interface. At the top, there is a banner with the word "REGISTRAR" in large white letters. Below the banner, the user is logged in as "999999945 : Miss KWAN DOME". The main heading reads "Welcome! TO EDUCATIONAL SERVICE SYSTEM". Step 3: Check accuracy of your personal data provided in our online system with information from your present national ID card. (International students must verify your name and title in English with your passport) Your information on your national ID card or passport will be used to issue your degree completion documentation. Therefore, if you find out that there is a discrepancy between them, please submit your “request to revise your personal information”, together with your copy of national ID card at the Office of Registrar within 45 days after the term starts. If you change your name or family name, the copy of your name change certificate must be attached. Once you find that your personal information is all correct, click on the button “**Apply for Graduation**” at the bottom line of the screen (Figure 3).
